

Four Seasons Advertising

Residents of our community are experienced and enthusiastic consumers. We're all reasonably healthy and solvent and independent, and we make it a point to promote our neighbors' businesses as much as we can.

To aid our selection of local businesses to support, we're now offering an ad program that highlights a range of services. Ads are carried in the *Four Seasons website, newsletter, and vendors' notebook* maintained in the clubhouse.

WEBSITE

The *ad page* link, [Our Advertisers](#), appears on the main menu on the left of the website's home page and leads to the ad section **SUPPORT OUR LOCAL BUSINESSES**. This is where the ads are displayed. There is a virtually unlimited number of possible ads.

NEWSLETTER

A new *advertising section* helps to maximize our advertisers' exposure throughout the community. In addition, each business is featured in a half-page article in the first newsletter issue after they join us.

CLUBHOUSE

Ad pages are included in the *Vendor's notebook* that is maintained at the desk in the clubhouse.
