

AMERICA'S #1 TOWN

At K. Hovnanian's Four Seasons Charlottesville, you'll savor the rich history, culture and art of Charlottesville's colonial heritage. As home to the University of Virginia, you'll delight in the city's energy, worldliness and charm. Downtown Charlottesville has been transformed into a pedestrian plaza of wonderful shops, restaurants and clubs.

Breathtaking views are part of the local scene, too. Charlottesville is surrounded by the lush greenery of the Blue Ridge Mountains. This unique and treasured location also inspired Thomas Jefferson. He found it to be the perfect place to experience life. We would like to invite you to follow in his footsteps.
